

What's new at Legacy Library Services ?

Sept 2017

Legacy Library Services ... so much more than just a bar code store!
Legacy is your smart shopping alternative for a wide range of products and services.

CLOSE-OUT CLEARANCE - As we prepare for the last leg of our journey, we are clearing out all of our demo equipment! Check our website for up to 60% off scanners, weigh scales, CD/DVD cases, and supplies. Or contact our office for more information.

OUR LOSS = YOUR GAIN!

We recently had a large scanner order cancel, and the equipment cannot be returned, so now is the time to get a brand new wireless scanner at a fantastic price. **We need these scanners gone!**

All scanners have been pre-charged, pre-programmed for library applications, and can ship next day!

PLEASE NOTE: After December 31st, 2017, Legacy Library Services will only be available by email at support@legacylibraryservices.ca. We will continue to honor our tech support commitments until December 31st, 2020, and will have your library's bar code sequence available on our website.
